Our school is suspended this week on account of sickness. Misses Pearl Russell and Bertha Yow went home to spend Xmas with their parents, and Miss Russell contracted the Flu. This means a suspension of the school for at least a week.

The holidays passed off unusually quiet here. However, the quietness was occasionally broken by a gun shot that made us think they were breaking the Sabbath. Some of them went hunting, though, according to rumor, ninety per cent of their ammunition went astray.

#### A ROCKINGHAM INTERVIEW

The following brief account of an interview with a Rockingham man three years ago, and its sequel, will be read with keen interest by every citizen.

E. J. Hale, retired farmer, says: "Doan's Kidney Pills are a household remedy for kidney disorders in my family. I take Doan's occasionally when my back bothers me and my kidneys aren't acting as they should. I have found them to be all that is claimed for them. We get Doan's at Fox's Drug Store, and keep a box on hand."

The above statement was given March 26, 1915 and on May 18, 1918, Mr. Hale said: "I still consider Doan's the best kidney remedy on the market. What I said in my former statement still holds good."
